

# Ross Little Rams Football

Ross Little Rams Youth Football, TRUSTED Non- Profit organization, who has been supporting youths for over 42 years in our community requests that your company consider making a donation to our organization.

100% of all funds received will be used to drive down the costs of uniforms and registration fees for our parents.

Our parents now more than ever are challenged each day due to the economic crisis. Due to this, Ross Little Rams has expanded our approach from our current fund raisers and are asking companies within our community to assist in providing an economical, safe, and fun football season to each family.

*Companies who provide a donation to the Ross Little Rams organization will have the option of having their company name and website link added to the Ross Little Rams website. In addition each company donating can also have their company name posted in the Venice Cornerstone newspaper thanking everyone for their generosity. Other publications and or flyers may also be distributed to our parents listing each company and thanking them for their generosity.*

## Please join us in continuing to provide our youths the ability to play Football.
